

Setting Page Numbers in Pages

Use this guide to learn how to set page numbers in Pages

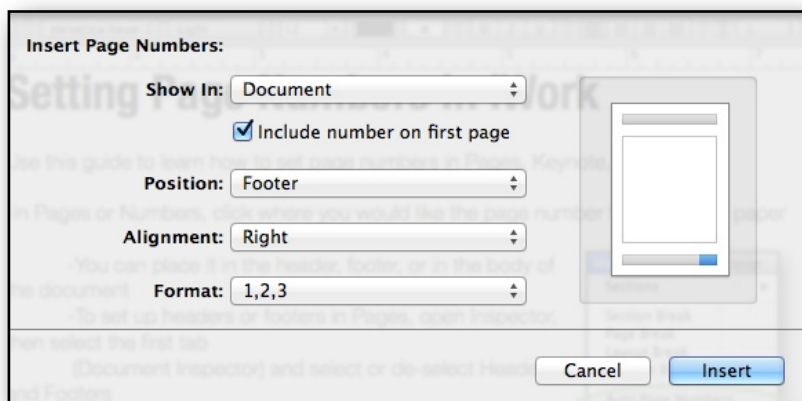

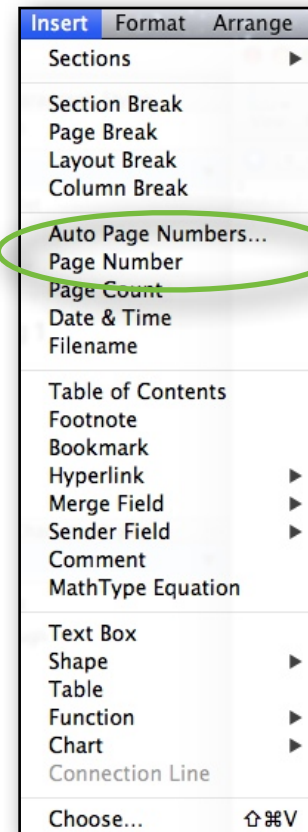

-In Pages, click where you would like the page number to go on your paper

-You can place it in the header, footer, or in the body of the document

-To set up headers or footers in Pages, open Inspector, then select the first tab (Document Inspector) and select or de-select Headers and Footers.

-Once you select where you want the page number, select Insert on the top menu and choose Page Number.

-You can also select Auto Page Numbers in Pages and select where you would like the page number to appear on each page.

-Auto Page Numbers allows you to choose the position, alignment, and format for your page numbers.

-Auto Page Numbers will automatically add the page numbers as you work on your document.
